SYNOPSIS

The Commission approves the Power Purchase Agreement between PacifiCorp and Spanish Fork Wind Park 2, LLC.

By The Commission:

On June 21, 2006, PacifiCorp filed an Application with the Commission seeking approval of a Power Purchase Agreement (Agreement) between PacifiCorp and Spanish Fork Wind Park 2, LLC (Spanish Fork Wind), dated June 20, 2006. In the Agreement, Spanish Fork Wind represents that it is a Qualifying Facility under the Public Utility Regulatory Policies Act of 1978. The Agreement provides for the sale to PacifiCorp of up to 18.9 MW of energy to be generated from Spanish Fork Wind's facility located in Spanish Fork, Utah.

The Agreement is for a period of 20 years and is represented as conforming to and consistent with applicable Commission Orders issued in Commission Docket No. 03-035-14 and other relevant Commission dockets.

PacifiCorp and Spanish Fork Wind have not agreed on a transmission loss adjustment and have agreed in Section 5.1.7 of the Agreement to revise the Agreement consistent with future Commission proceedings on that specific issue.

The Commission held a hearing on the approval of the Agreement on July 11, 2006. At the hearing, both PacifiCorp and the Division of Public Utilities (Division) provided witnesses recommending approval of the Agreement. Both witnesses testified that the Agreement was just and reasonable and in the public interest. The witness for the Division testified that the Agreement was consistent with, and complied with requirements set forth in, applicable Commission Orders. No other witnesses, responses or comments to the Application have been submitted by any other person.

Based upon the Application, our review of the Agreement and the testimony at the hearing, we find that the terms of the Agreement are consistent with applicable Commission Orders and requirements and that the Agreement is just and reasonable and that the Agreement is in the public interest. The Commission approved the Agreement from the bench at the hearing, and accordingly, our approval of the Agreement will be effective as of July 11, 2006.
